

Safety Data Sheet Babassu Oil

SECTION 1: Identification

1.1 Product identifier

Product name Babassu Oil

Product number bna-76

1.4 Supplier's details

Name Bulk Apothecary
Address 115 Lena Dr
Aurora OH 44202
United States

Telephone 1-888-728-7612
email sales@bulkapothecary.com

1.5 Emergency phone number(s)

Domestic: 1-800-633-8253 International: 801-629-0667

SECTION 2: Hazard identification

General hazard statement

No classification is assigned, based on classification criteria. Review the entire data sheet for any additional information which did not result in a GHS classification.

2.1 Classification of the substance or mixture

GHS classification in accordance with: OSHA (29 CFR 1910.1200)

2.2 GHS label elements, including precautionary statements

SECTION 3: Composition/information on ingredients

3.2 Mixtures

components

1. *Orbignya martiana* seed oil

Concentration Not specified

Safety Data Sheet

Babassu Oil

CAS no.

91078-92-1

SECTION 4: First-aid measures

4.1 Description of necessary first-aid measures

If inhaled	Not a direct hazard.
In case of skin contact	Non-irritating.
In case of eye contact	Flush with large amounts of tepid water and seek medical attention.
If swallowed	Not a direct hazard.

SECTION 5: Fire-fighting measures

5.1 Suitable extinguishing media

CO₂, Dry Chemical or Water Spray

5.3 Special protective actions for fire-fighters

In case of insufficient ventilation, wear suitable respiratory equipment.

SECTION 6: Accidental release measures

6.3 Methods and materials for containment and cleaning up

Contain the spill with inert material and transfer to separate containers for recovery or disposal. Wash floor area with hot water solution. Remove contaminated clothing and wash before reuse. Wash affected skin areas with soap and water. Keep spills out of all sewers and bodies of water.

SECTION 7: Handling and storage

7.1 Precautions for safe handling

Any use of this product in an elevated temperature process should be evaluated to establish and maintain safe operating procedures.

7.2 Conditions for safe storage, including any incompatibilities

Store in closed containers below 25°C, in well ventilated area. Ground containers to comply. Reseal in airtight containers and Nitrogen blanket after opening when possible. Do not puncture, drag or slide containers.

SECTION 8: Exposure controls/personal protection

8.3 Individual protection measures, such as personal protective equipment (PPE)

Eye/face protection

Eye goggles, with side shields.

Skin protection

Wear suitable gloves.

Respiratory protection

Safety Data Sheet

Babassu Oil

No special respirator needed.

SECTION 9: Physical and chemical properties

Information on basic physical and chemical properties

Appearance/form (physical state, color, etc.)	White soft fat
Odor	Fatty
Odor threshold	
pH	
Melting point/freezing point	
Initial boiling point and boiling range	
Flash point	>200°C
Evaporation rate	
Flammability (solid, gas)	
Upper/lower flammability limits	
Vapor pressure	
Vapor density	
Relative density	
Solubility(ies)	
Partition coefficient: n-octanol/water	
Auto-ignition temperature	
Decomposition temperature	
Viscosity	
Explosive properties	
Oxidizing properties	

SECTION 10: Stability and reactivity

10.1 Reactivity

This product is stable under normal conditions.

10.2 Chemical stability

This product is stable under normal conditions.

10.5 Incompatible materials

Avoid contact with strong oxidizing agents.

10.6 Hazardous decomposition products

Will not occur under normal circumstances.

SECTION 11: Toxicological information

Information on toxicological effects

Additional information

No toxicological information is available at this time.

SECTION 12: Ecological information

Toxicity

This product does not contain any ozone depleting compounds

Safety Data Sheet

Babassu Oil

Persistence and degradability

This product is readily biodegradable.

Bioaccumulative potential

This product is readily biodegradable.

Mobility in soil

Low

SECTION 13: Disposal considerations

Disposal of the product

Material should be disposed of in accordance to current local and national regulations. Contacting a waste disposal service is recommended.

SECTION 14: Transport information

DOT (US)

Not classified as hazardous according to the Department of Transportation

IMDG

SECTION 15: Regulatory information

SECTION 16: Other information

16.1 Further information/disclaimer

DISCLAIMER: The information above is believed to be accurate and represents the best information currently available to us. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. Users should make their own investigation to determine the suitability of information for their particular purposes. In no event shall Bulk Apothecary be liable for any claims, losses, or damages of any third party or for lost profits or any special, indirect, incidental, consequential or exemplary damages, whatsoever arising, even if Bulk Apothecary has been advised of the possibility of such damages.
